## VIDI 250

### 4K CONFERENCING CAMERA

The Vidi 250 is a wide angle 4k camera designed for use with conferencing systems. Intended for huddle room or small to medium conference rooms, the Vidi 250 has a 120° wide field of view, allowing everyone in the room to be seen. The Vidi 250 uses auto framing technology to identify meeting participants and to adjust the focus and zoom to keep participants in view. The Vidi 250 can be either display mounted or wall mounted.

#### FEATURES

- LED indications for camera activity
- Wide angle 120° field of view
- Electronic Pan/Tilt/Zoom with 5x zoom
- Auto framing technology to keep participants in frame
- Multi-microphone array
- Display mount and wall mount options available
